... TO YOUR PAPA'S PANTRY

"Dear Papa's Pantry,

It is with great appreciation that my family and I thank you for all you have done!

Your ministry in a short amount of time brought forth a lifetime of blessings! Your food pantry is amazing, and has been one of the best designed one's that I have used.

*The staff was very loving and kind, and they made us feel hopeful and not help-
less! What a wonderful concept of ministry you all provide in so many different facets.*

*Again, thank you!
Love, The Brown Family"*

Matthew 25:35,40 (35) For I was hungry and you fed me. I was thirsty and you gave me a drink. I was a stranger, and you invited me into your home. (38-39 Paraphrased) When did we ever see you needing our help? (40) And the King will answer the righteous, 'I assure you, when you did it to one of the least of these my brothers and sisters, you were doing it to me!'

PAPA'S PANTRY...

... is a Christian-based non-profit organization founded in 1998. Our mission is to apply Biblical principles in providing a wholeness approach to people's needs.

Most people think of Papa's Pantry as simply a food assistance program for the community, and it is... but that's just the beginning!

Families come to Papa's Pantry when food in their household is at-risk. One out of every 11 households in Georgia fall into this category.

Meeting the need of food is imperative when helping a family in financial crisis.

At Papa's Pantry, we go deeper, identifying the "why" behind the "what". The food shortage is the "what".

Is the why because there is no income or employment? If so, we have a great "Workforce Preparation" program for that!

Is there an income, but the budget seems out of control, or non-existent? We have a wonderful budgeting program that not only helps families get back on their feet within a couple short months, but with an emergency fund savings plan in place.

Papa's Pantry's goal is to work with families until they are truly back on their feet, equipping them with the tools to stay there!

FAMILY MINISTRIES IS... *"Man does not live by bread alone, but by every word of the living God."
"My people perish for a lack of knowledge."*

THE FAMILY PARTNERSHIP PROGRAM

More than a glass of water, it's like striking a well!

Helping families truly get on their feet takes more than groceries, it takes a strategic program that embraces them at their highest point of need, moving toward stability. This proven method has helped hundreds of families get off government assistance and function as contributing members of the community.
